About This Content

Have you ever wondered what the future might hold? Then wait no longer because the future is here. The **AWESOME PRODUCTS PACK** adds three completely new product chains, production buildings and products to enhance your experience with **INDUSTRY MANAGER: FUTURE TECHNOLOGIES**. Bring a piece of the future to the present with the **AWESOME PRODUCTS PACK** for **INDUSTRY MANAGER: FUTURE TECHNOLOGIES**.

This pack contains:

Additional "Videogames" Product Chain

A new series of products which represents the videogames industry with a new production building where games can be produced. Really? A game which lets you produce games? This is so Inception-like AWESOME!

Additional "Steampunk Retro Products" Product Chain

Produce a series of awesome steampunk retro products in your own steampunk factory. How AWESOME is that?!

Additional "Nerd Products" Product Chain

A new series of products which introduces nerdy products, like a GMINT card game and a cure for Dire AIDS. All the products that can be manufactured here pay homage to other games or TV series. This is really AWESOME for sure!
